## FOUNDER OF ROTARY

*Service above Self*

**Paul P. Harris 1869-1947**

**Born 19-Apr-1868 Died 27-Jan-1947**

Paul P. Harris was born at Racine, Wisconsin, USA on April 19, 1868. A man with varied experiences, he received the Bachelor of Physical Culture and LL.D. degrees from the University of Vermont and the LL.B. degree from the University of Iowa. He was later awarded a honorary PhD in 1933 by the University of Vermont.

He worked as a newspaper reporter, a business college teacher, a cowboy and a salesman for a marble and granite concern, before finally settling down in Chicago as a lawyer in 1896. In July 1910 he married Jean Thompson, a Scottish girl and a co-member of the Chicago prairie club.

The first Rotary Club was formed on February 23, 1905 by Paul Harris with Sylvester Schiele - a coal merchant, Gustavus Loehr - a mining engineer and Hiram Shorey - a merchant tailor, to bring together business and professional men in friendship and fellowship. This first club meeting formed the nucleus for the thousands of Rotary clubs that were later organised throughout the world. These new clubs were called "Rotary" because members met in rotation in their various places of business.

Paul Harris was elected President in the First Rotary Convention for the year 1910-11. He was then re-elected

President for 1911-12 of the National association of Rotary Clubs. Their bulletin came to be known as "The National Rotarian."

Elected President Emeritus of Rotary International in 1912, he was active in Rotary until his death on 27-Jan-1947.

## Dear Fellow Rotarians:

One hundred years of Rotary fellowship and service is great cause for celebration, and during our centennial year of 2004-05, I will ask all Rotarians to join with me to Celebrate Rotary. We will celebrate our enormous success toward achieving a poliofree world — our gift to the children of the world and all the children to come. We will celebrate a century of growth and expansion, 1.2 million members serving in 166 countries of the world.

And we will celebrate the warm Rotarian fellowship that inspires our service and fuels our dedication. I am calling on Rotarians to Celebrate Rotary, not with a sense of complacency based on past success but with a renewed sense of urgency based on today's challenges. Our decades of service have revealed to us the magnitude of human need in a world beset by natural disasters, frightening new diseases, and brutal conflicts. We know that millions of illiterate, unskilled people continue to be trapped in a relentless cycle of poverty; we have witnessed the suffering that exists in places with too few doctors and hospitals; and we recognize that basic needs like food and water remain out of reach for far too many. One of the best ways to Celebrate Rotary will be to address those vast humanitarian needs, using the full weight of our hundred years of experience. First and foremost, let us Celebrate Rotary by putting Service Above Self. I hope that you will share this celebratory spirit with our entire Rotary family and everyone who has been touched by Rotary — our Ambassadorial Scholars, Rotaractors and Interactors, Youth Exchange Students, GSE team members, and the many thousands of people whose lives have been enhanced by our humanitarian efforts. Let us also invite the communities we serve to join in our celebration. The Centennial Community Projects are an excellent way to publicize the Rotary Centennial locally and leave a lasting memento of this anniversary in thousands of communities worldwide.

The positive publicity surrounding the Rotary Centennial will no doubt raise awareness of and interest in Rotary among potential members, making 2004-05 an ideal time to strengthen our membership. We must also continue the retention efforts of recent years, actively involving current members in club projects and maintaining Family of Rotary committees to promote an environment of concern and caring within our clubs. We have seen how important a stable and growing membership was to Rotary's first century of service. Let us make every effort to secure our future by retaining active, committed Rotarians and increasing their numbers.

A hundred years is an important milestone — one that few organizations reach. It signifies that Rotary is doing something right and that the need for Rotary service remains strong. There are many "secrets" to our success — the fellowship derived from weekly meetings and a shared cause, our internationality that opens doors and hearts throughout the world, and the structure that allows us to accomplish so much more as a group than any of us could achieve on our own.

But our greatest strength is the enthusiasm with which Rotarians take on new challenges and stay the course until the problem is solved. We are doing that with polio eradication and in thousands of other ways in each of the communities we serve. Rotary's early beginnings in a Chicago mining engineer's office in 1905 forecast little of what was to come. None of the four men gathered there on that cold February evening could have predicted that these meetings would continue to occur regularly — let alone

Dear President Rtn. Dr. Chandra,

There is nothing greater than the unity of friendship and zeal. Both must exist for more than one to band together for a common cause. Seeing you and your members together reminds me that Rotary is designed to be shared. Rotary is, indeed, a great leveller and makes professional accomplishments pale by comparison.

There is so much to be done in the centennial year. Let your club decide what it wants to do and put it the effort to accomplish what you have set out to do. I wish for you all days full of the joy you feel now. Congratulations for taking over the leadership of your club. After the celebration of your club's Installation meeting, let us start Celebrating Rotary and make the Centennial year a memorable one.

Sincerely yours

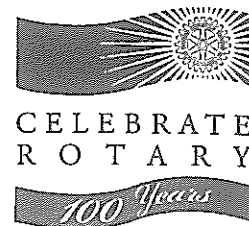

Rtn. Prabir Chakravarti

## ROTARY CLUB OF PATAN

### PRESIDENT'S MESSAGE 2003/04

Dear Fellow Rotarians,

*Thank you!* These two simple words are what this message is about. Thanks to you all for allowing me to be your President for the past year and for making Rotary Club of Patan as strong as it has ever been.

Thanks to your consistent support in the past year, Rotary Club of Patan has been able to seek new and innovative ways to achieve our mission of "Service above Self." Thank you for supporting the Club in all of its activities. Your gift of solar equipment to a rural community led to Nepal being mentioned at the RI Convention in Osaka, Japan. Your esprit de corps has led to our club being recognized at the District Award Ceremony as the Best Club in Club Services Avenue.

Your hard work has accomplished numerous community activities. A few projects deserve special recognition. Your contributions to the scholarship fund provided scholarships to over 326 economically deprived students and out of school children. Your work in the Safe Birth Project earned you the First District Award. Your unprecedented Digital Divide project supplied 173 computers to public schools that previously did not have a *single* computer. It also allowed you to work alongside the C4W, Rotarians, and Interact members from other parts of the world.

My thanks goes to all of Rotary Clubs in Lalitpur and especially their Presidents for making The Welcome Plaque at the Bagmati Bridge a reality and a landmark.

Once again, I personally thank you for all of your hard work.

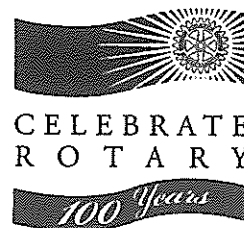

Let us all now *LEND A HAND* to the incoming new President in celebrating Rotary in the Centennial year.

Rtn. Siba Bhakta Rajbhandary  
President  
2003-2004

## ROTARY CLUB OF PATAN PRESIDENT'S MESSAGE 2004/05

### Rotary Club of Patan

President's message 2004/05

Dear Fellow Rotarians

It is with immense pleasure, commitment and dedication that I have shouldered this responsibility of Rotary club of Patan for the year 2004/05, especially so when Rotary clubs all over the world are celebrating the 100 years of devotion and dedication to humanity, indeed a centennial year 04/05!

I feel very proud and elated with the responsibilities ahead, to carry forward the commitments and the good works done by Rotary club of Patan 2003/04 and brace myself up to face the challenges ahead, as THE club committed solely for the social works and services above self. This club will have under its fold the continuing projects like computer, cancer, education, senior citizen home and the new upcoming projects like women literacy with economic empowerment (alphabetisation) mothers projects and nutrition to name the very few!

It is with many more commitments, gusto and dedication that we will serve the community at large through our social services within the fields of literacy, health, education and vocation. This is what we call "Celebrate Rotary -100 years. We as Rotarians feel really exalted in our achievements especially in the field of Polio Eradication like the way Small pox was banished from the face of mother earth. This year we are going to celebrate Rotary's 100 years of services with more dedication and commitments in the social spheres.

Our Rotary International President Rtn. Glenn Estess has very rightly advocated this years' theme that we shall all celebrate Rotary's centennial service year, a landmark commemorating the good deeds that Rotary did.

In conclusion I am confident that I will cherishingly get the same quality supports, cooperation and the helping hands from fellow Rotarians as they have so selflessly done to the outgoing club.

Wishing you all a centennial year of celebration with total satisfaction and happiness

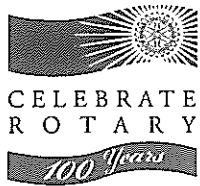

"Service above self"

Trusting in the Rotary spirit

Rtn. Dr. Chandra Prakash Maskey F.R.C.S.

President 2004/05

## Definition of Rotary

**"Rotary is an organization of business and professional persons united worlds-wide who provide humanitarian service, encourage his ethical standards in all vocations and help build goodwill and peace in the world." These 31 words are worth remembering when someone asks, "What is a Rotary Club?"**

## Editorial

It is our pleasure of publishing this Souvenir on the auspicious occasion of 19<sup>th</sup> Installation Ceremony as well as Centennial Rotary Year (2004-05). This Souvenir is also a special issue of "Lalit Dhara", a weekly regular bulletin, edited by senior Rtn. Kamal Mani Dixit who also contributed to "202 Thatta" published in the regular "Lalit Dhara" on this occasion.

In accordance with the Rotary motto of "Service Above Self" Rotary Club of Patan is committed to provide services to the community in the areas of health, education, social reforms and community development. Besides, the polio eradication and Prajapati endowment education fund, which is providing scholarships to 326 students in several schools, are the major contributions from our Club. RC Patan is committed to celebrate rotary theme of "Celebrate Rotary 100 years" by providing more services to the community.

This Club became instrumental for the expansion of Rotary Clubs in Patan and other parts of the country in view of the separate district. In this connection, our interest is to bring "Nepal District" as soon as possible. Our effort in this endeavor is as on the spirit of other Rotary Clubs of Nepal. We are confident that the Rotary International would understand our sincerity and difficulty to serve the Nepalese community by applying Rotary interest objectives.

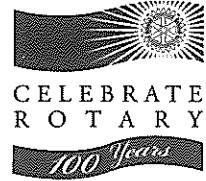

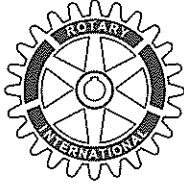

I would also like to thank to our Rotarians for their dedications to services and my colleagues in the Editorial Board for their hard work and support for publishing this souvenir on time.

Institutions and persons who have supported to us through their advertisements, to this special issue of Lalit Dhara, are also sincerely acknowledged. I would also like to congratulate the previous team for their successful tenure and wish the new team of this Club for their successful achievement with the Rotary Theme "Celebrate Rotary 100 Years" as well as maximizing the services to the community.

## Report on Club Activities for the Rotary Year 2003 - 04

Prepared by:-  
**Rtn. Ganesh Raj Shrestha**  
Secretary

It is my pleasure to prepare this annual report on Club Activities for the Rotary Year 2003/04. Despite busy schedules, all the members of Rotary club of Patan have been successfully implementing various projects and activities undertaken under the guidance of board of directors. I am very much obliged to inform that the entire club members had supported and cooperated with me to run our club meetings smoothly. So I thank from the core of my heart to all the club members for "Lending their Hands". Here is the brief annual report on the projects and activities undertaken by the Rotary Club of Patan for the year 2003/04:-

### Category: CLUB SERVICE

#### 1. Installation Ceremony.

a) The Rotary Year starts from 1st July 2003. 18th installation ceremony was held on 14th July 2003. During this year when an African national was the RI President for the first time, Rotary Club of Patan thought it appropriate to hear from a development worker from Africa at the Installation. Accordingly, we had Mr. Bill Musake, a national of Uganda, who was serving in Nepal as UNFPA representative, as our Chief Guest. This helped us in strengthening our relation with the UN system and we had two other Guest Speakers from UN, namely, Representatives of UNICEF and WHO.

*Secretary Rtn. Ganesh Raj Shrestha handing over his contribution to the chief guest*

b) Another aspect of the Installation Ceremony was that it served as the fund raising event also for the Scholarship program. Three lakhs and twenty one thousand rupees was raised that evening alone by Rotarians of the Club and Annes. The impact is that today the Club Rotarian contributors' number has gone up from 12 to 37 i.e. 90.5% coverage.

#### 2. Club Program and Meeting:

- a) As per our program schedule we had published and distributed four quarterly calendars. Accordingly we had performed the following activities:-
- Eight business meetings with five club assembly,
  - Classification talk from six club members,
  - Twelve board meetings including two joint board meetings and one special board meeting.
  - On August 09, 2003 our club has celebrated Soil Conservation and Tree Plantation Program at Balkumari Madhyamik Bidhyalaya at Sunakothi VDC. The chief guest of the program was Honorable Serbendra Nath Sukla, Minister of Forest and tourism.
  - Clubs COTS Seminar, ICM on membership development and retention, the Rotary Foundation, Rotary Awareness Quiz Competition, World understanding and peace "Conflict Resolution" and District Award Ceremony.
  - Two Rotary fellowship family picnic at Bandipur and Godavari.
  - Our club arranged Intercity Meeting in December as a "Rotary Family Month", Fun Fair Food Festival with entertainment program, co-hosted by RC Tripureswar and RC Yala.
  - Sunshine collection is Rs. 75643.00 (Seventy five thousand six hundred forty three) from our regular club meetings.
  - Twenty-eight talk programs from various personalities on different topics were organized.
- b) The club meetings were held very regularly despite bandhs and general strikes and were never cancelled. A special event was also organized to mark the 900th meeting of the club which was coordinated by the Past Presidents. This also lead to the formation of a council of past presidents to advise the club presidents and executives on policy matters. The DG gave away Letters of Appreciation to past presidents.

#### 3. Club Bulletin and Magazine:

The weekly club bulletin, "Lalit Dhara" is being published regularly under the editorship of Senior Rtn. Kamal Mani Dixit; not one single issue is missed. In addition to supplying various Rotary Information, the bulletin also serves as the minutes of the weekly meetings. Likewise we have also published the 18th "Lalit Dhara souvenir Issues" with Rtn. Kedar Bhakta Shrestha as coordinator. The Club has published 1000 copies of "Rotary Thatta" book sponsored by Rtn. Kamal Mani Dixit. The proceeds from the sale of this book will go to RC Patan.

**4. Club Extension:-**

The Club sponsored one more new club i.e; Rotary Club of Nepal Gunj Mid town recently Chartered. The G.S.R. from our club is Rtn. P.P. Dr. Bhisma Raj Prasai. We have sponsored nine clubs so far and has thus contributed to our own District formation in an impressive way.

**5. Membership Growth:-**

The club has inducted two new members namely Rtn. Padam Lal Maharjan and Rtn. Khrushchev Shrestha.

**6. Fellowship and Inter Club relationship:-**

- a) Fellowship is a strong bond of Rotary Club of Patan. In addition to the regular fellowships at the weekly meetings and Executive Board Meetings, the club organized **two picnics** for its members, one at Bandipur and second on the occasion of New Year B.S.2061 at Godavari. **Eight special fellowships**, including one with a cultural programme, were also organized during the visit of a team of 11 Rotarians and 9 Interact students from USA. Likewise, several Fellowships were celebrated at the residence of the club members on various matters.
- b) Rotary Club of Patan organized **two joint meetings** with Rotary Club of Kopundole and Rotary Club of Mahaboudha.
- c) Inter-city meeting: Rotary Club of Patan organized the first ever Intercity Meeting (ICM) on Rotary Family month as Rotary Family Fun, Fair, Food Festival with entertainment programme, co-hosted by Rotary Club of Tripureswar and Rotary Club of Yala.
- d) At the initiation of our club, Presidents of Rotary Club in Lalitpur meet every second month. They have jointly undertaken four projects so far, one of which namely Rotary Welcome Plaque at Bagmati Bridge has been completed.

**7. Participation in District Event :-**

- a) Our club bagged the largest participation awards including winner of Rotary quiz at the ICM on Rotary Awareness Quiz Competition.

*Receiving the winner and largest participation Award of Rotary Quiz*

- b) Our club had participated in ICM on world understanding and peace "Conflict Resolution" and District Award Ceremony and winner of the following seven events :-

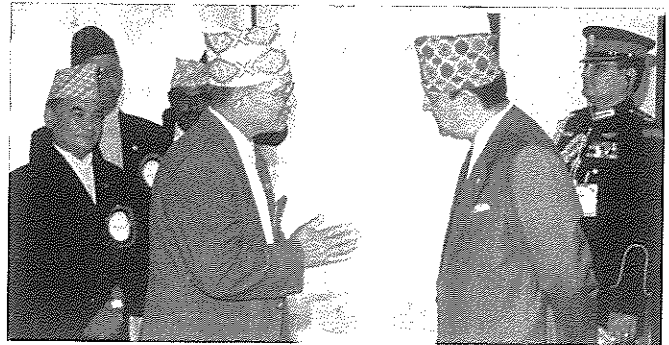

*President Rtn. Siba receiving the Best Club Award on Club Service Avenue from DG Rtn. Raj Kumar Rajgariya*

1. Best Club on Club Service Avenue,
2. Club bulletin 3rd,
3. Literacy and Numeracy 3rd,
4. MCH and Public Health 1st
5. Rotary/ Rotaract Relation 2nd
6. Special Recognition on Digital Divide Project
7. Special Recognition on Rotary Family Month Celebration.

President Rtn. Siba was of the three nominees for the best President Award

**8. Public Image:-**

- a) On 16 April 2004, His Majesty King Gyanaendra Bir Bikram Shah Dev inaugurated **Nepal Orthopaedic Hospital**, initiated by our club.

*RC Patan President Siba briefing His Majesty on Rotary Activities. His Majesty expressed that he had read about the RC Patan Computer Project. IPP Rtn. Yagya is seen behind Siba.*

- b) Opening of Rotary Welcome Plaque at Bagmati Bridge which was proposed at our 18th Instillation by our President Rtn. Siba Bhakta Rajbhnadary.

- c) Our club educates the students, guardians and teachers of various public schools by person to person communication about Rotary at the time of scholarship distribution and also hands them over a bulletin on Rotary information," Right to Education."

**9. Attendance:-**

This year we had many fellowships among the fellow Rotarians as well as the rotary families, so the club members attendance is quite satisfactory. The over all percentage is 66%. Following members had achieved 100% attendance:-

- |                                 |                              |

| 13 Rtn. Shrestha Yagya Bahadur  | 14 Rtn. Thapa Ram Singh      |

Thanks and congratulation to all of them for their valuable "Lend a Hand" spirit in the club.

**Category: VOCATIONAL SERVICE**

Among four avenues for the rotary international " Vocational service is the way Rotary fosters and supports the application of the ideal of services in the pursuits of all vocations".

**1. Vocational Training:-**

- a) As part of teacher training, computer training was provided to 26 teachers from various public schools. More than 2500 students at various public schools also have gained some computer skills.
- b) Our club has arranged training for six trainees in handicrafts, wood and stone carving. Our fellow Rotarian Santa Kumar Shrestha has given a word for two persons to give jungle guide training. One trainee is undergoing airways ticketing training.

**2. Women Empowerment: -**

Education empowers women. Hence 57 % of our total scholarship is provided to girl students.

**3. Vocational Award:**

In recognition of the invaluable service rendered to the cancer patients, Rotary Club of Patan has conferred Vocational Award, together with a cash contribution of Rs 5,000 to Staff Nurse Mrs. Shanti Bajracharya of Patan Hospital.

**4. Rotary and Rotaract relationship: -**

Rotary and Rotaract work together in the implementation of various projects like computers, training of trainers, health camp, polio plus, update rotary website and so on so forth.

**Category: COMMUNITY SERVICE**

**1. Literacy:-**

- a) Rotary Club of Patan has increased the number of scholarships. It provides scholarship to 326 student from this year compared to last year which was 188. The scholarship is provided to the economically deprived and needy public school children only. The scholarship recipients are 57 percent girls and 28 percent from under privileged families.
- b) Resource Mobilization: Scholarships are provided out of the interest generated from an endowment fund and annual contributions. A fund in the Endowment has increased from Rs 21 lakhs in June 2003 to more than Rs 27 lakhs. Similarly, funds in the annual contribution has risen from Rs 60,000 to nearly Rs 200,000. This substantial increase in funds has enabled us to allocate Rs. 400,000 for scholarships this year.

**2. Information Technology (Digital Divide Project):-**

- a) Rotary Club of Patan has handed over 173 computers to 23 public schools for computer literacy, on two different occasions. Funding was provided under two matching grant projects- one with Rotary Club of Branchberg, USA and another one with four Rotary clubs of Washington, USA. 27 computers were received from Rotary club of UK also. About 2500 students and 26 teachers were benefit from this project.

Secretary of Ministry of Education and Secretary of Ministry of Social Welfare took part in Computer handover ceremony

b) This is the first time in the history of Nepal that so many computers have been donated for the community service. This new project will narrow the digital divide gap between the haves and the have-nots in school children in the country.

**3. Mother and Child Health:-**

Rotary Club of Patan has provided vehicle, computers, various training aids like films, posters and flip charts and birthing kits amounting to Rs 22 lakhs from a Matching Grant project, implemented by MCHP. The project mission is to reduce the infant and maternal mortality in Nepal. In addition it provides training for birth attendants and community health volunteers.

President Rtn. Siba handing over Vehicle Key to MCHP coordinator, PP Rtn. Puskar Shakya on the picture

**4. Service to the Physically Challenged :-**

The Deaf school has been provided with 16 computers and a computer teacher for two years to enable the students at the school to learn computer skills. Fifteen Rotarians from RC Patan, 11 Rotarians and 9 students from Washington assisted in cleaning and painting of the school premises.

**5. Nepal Orthopaedic Hospital:-**

Please see separate report written by P.P. Rtn. Yagya Bahadur Shrestha in page no. 44

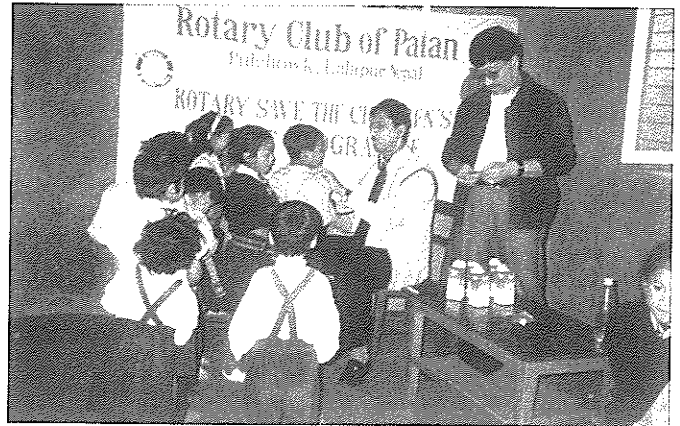

**6. Rotary Health :-**

a) A health care clinic has been established in Godavari effective from 25th October, 2003.

b) Some x-ray plates & related equipments to the Bhaktapur Cancer Hospital as well as a cheque of Rs. 70,000 were handed over to the President of the Hospital Management for cancer Upchar Dan Kosh for treatment of patients who cannot afford to pay. RC Patan had collected these resources from external sources from the initiation of PP Rtn. Puskar Man Shakya. Some Rs. 60,000 has also been collected from club Rotarians.

c) Health Program and Camp: Rotary "Save the Children Heart Program" as well as Rotary Deworming Program were conducted in different schools of Lalitpur District with initiation of community service director Rtn. Dr. Prakash Raj Regmi.

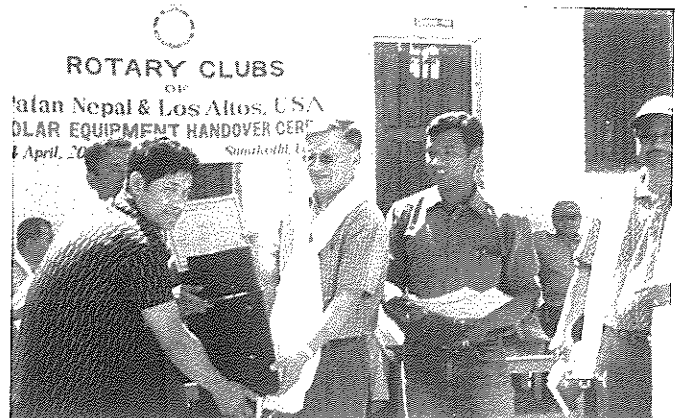

Likewise, 2 Blood Pressure recording trainings were provided to members of Inner Wheel Club of Patan and Rotaract Club of Patan.

A Rotary health camp was organized last March 2004 in Sunakothi VDC, Lalitpur. 15 doctors and medical personnels provided their expert services in several specialities. A total of 267 patient were examined and medicines valued at Rs. 30,000 were distributed free of cost.

**7. Solar and Sanitation project:-**

Rotary Club of Patan has supplied the Sunakothi Village residents with some Solar dryers, Rocket stoves, Solar Water Disinfectant and Composting toilet out of US \$ 3000 WCS project from Rotary Club of Los Altos, USA. The main objective is to reduce the use of forest wood and thereby preventing deforestation and to introduce healthier life style in the community's daily lives.

**8. Projects on down trodden and neglected children:-**

RC Patan has provided 28 % of the scholarships for the under-privileged children. A programme has also been started in Dukuchhap (Danwar) village to bring in all "dropout" school children to school so that the village could achieve 100 % literacy.

## Rotary District – Nepal

*Rtn. Gopal Rajbhandary is the Chief Counselor to the District Governor, and is the most Senior Rotarian in Nepal. He is often known as the pillar and bhismapitamaha of the Rotary movement in Nepal. He was recently interviewed by our President Rtn. Siba Bhakta Rajbhandary regarding the formation of a Rotary District in Nepal.*

“As successful our Clubs have been, imagine how much more we could do for those in need if Nepal had its own Rotary International District.”

**Please brief us on the concept of the Rotary District and Rotary in Nepal.**

Rotary International began as the world’s first professional and social service club in 1905. As more people became interested in joining Rotary, Clubs were formed by RI. In time, RI formed districts so that clubs could work with one another and better serve the common needs of their communities. Today, it is a worldwide organization committed to serving communities in need. As we enter our centennial year, over 1.2 million members, in at least 160 countries, make up what we now know as Rotary International. Currently, there are over 31,000 Rotary Clubs, which belong to 129 Rotary districts.

Nepal’s first Rotary Club was chartered in 1959. Today, Nepal can boast that it has 65 Rotary Clubs, made up of about 2,000 members. Our Clubs provide immeasurable health, education, and humanitarian assistance to our communities. Rotary Clubs of Nepal all currently fall under the jurisdiction of District 3290, which also serves parts of West Bengal and Andaman and Nicobar Islands. We have always had a solid relationship with the clubs that belong to our District. Our team members have shown us guidance and support when we needed it.

**Why should Nepal be awarded its own Rotary International District?**

- Nepal is a sovereign country.

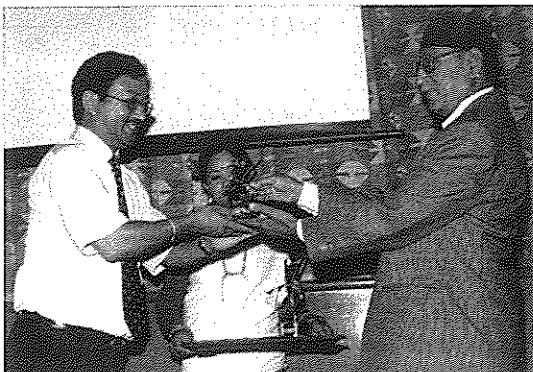

- Nepal has fulfilled all the set criteria required for it to have its own Rotary International District.
- District 3290 is the largest within Rotary International. Even if the District Governor were to visit a Club every 2 days of his Rotary year, he would barely have visited all of the clubs within his district. With travel between Nepal and the Governor’s office in Kolkata, India being expensive and often unreliable, visits to Clubs in Nepal have been bypassed.
- Travel between Kolkata and Nepal is difficult for the District Governor as well as for Nepali Rotarians. If a District was awarded to Nepal, many more Nepali Rotarians would attend events at the District Governor’s office. Currently very few of us are able to participate in important meetings which are mostly held in Kolkata.
- 115 of the 180 District 3290 Clubs are located in West Bengal. It is only natural that programmes that are planned for the Rotary year concentrate on the problems within West Bengal. Nepal has its own complications, which are often left unattended by the District.

**When will Nepal be awarded its own Rotary International District?**

I believe that we will have a Rotary District of our own within the next two years. Early this year, we were notified that the Rotary Redistricting Committee has favorably reviewed our application and passed it on to the RI Board for a final decision.

It is only a matter of procedure that has to be observed before Nepal is awarded its much-awaited status. Meanwhile, we should ensure that all our Rotary Clubs pay R. I. Dues on time, continue our efforts to form more clubs, while ensuring membership growth and retention in other clubs. We are on the right track in our leadership development plan and are fully confident that we have the necessary capacity to manage Nepal District on our own.

# ROTARY TOWARDS TECHNOLOGY

*By: Pushkar Man Shakya  
President 2000/2001*

**A** conceivable fact, a dream to every patriotic Nepali would be the day Nepal reaches its developed stage. The first step I took during my term as a president in 2000/2001 was that I dreamt; a dream to spread out light where there is darkness, darkness of illiteracy.

A well known fact is that one way or the other, education leads to the development of the country. What better form of education can it be important more than the information technology in today's environment of advanced technology ?

Computers, a medium of Information Technology, are a necessity in every household nowadays. In such generation, where information is vital in every aspect, computer and its peripherals help a mass any relevant data. The absence of knowledge of computer christens a person to be from the Stone Age. Such lack of awareness about computer makes a person handicapped even in our country where technology is fast growing.

Most private schools in Nepal have been giving the privilege for students to learn computer. But there are students who can't afford a private school. These situations were mostly found in the government schools of Nepal, the schools where the government of Nepal has been giving insufficient fund to provide the students with such facilities.

The Rotary Club of Patan has gone a step towards achieving its dream of eradicating illiteracy. They had sowed its seed in 2000/2001 and now they have grown into fruitful results. The 2003/2004 has been a very productive year for the receiving and distribution of computers from our partner clubs in the United States of America and the United Kingdom. With such fine leadership of Dr. C.P. Maskey, we hope to continue such progress in the coming years.

For the year 2003/2004, the results have been computer literacy oriented. Till this date, we have distributed 173 computers to different schools of Patan and Kathmandu as well as to some in Bhaktapur districts. Not only the computers were distributed

but training on Computer Literacy program was also conducted by the Patan Rotract clubs to two of the teachers of all receivable schools.

This year, we will be able to give more training to more teachers of computer receiving High Schools and the venue will be at Patan High School & Durbar High School, which will be considered the focal point for trainings to be provided to teachers of other receivable schools by such professionals. The Patan Rotary club will also be providing a two year salary for the teachers of Patan High School & Durbar High School who will be giving such trainings for teachers, all internet connections, and other miscellaneous costs with support from Belleview Rotary Club, Emerald city Rotary Clubs and of matching grants received from Rotary International. A teacher's salary for two years has also been provided to the Deaf School.

The media coverage of this dedicated program of the Rotary has increased its demand and thus popularity among other government schools as well in the whole of the country. Thus I urge all Rotary Clubs of Nepal to look for such projects, through national or international Rotary aid, and support it for the better of the education system of Nepal. I hope the concerned ministries and department of His Majesty's Government will help and support this endeavor of the Rotarians of Nepal.

Our children are the future of the country. Better and quality education to them shall only help benefit and develop our country, a dream of every patriot Nepali. Thus, I would like to request all Rotary clubs in Nepal to go for this kind of projects which helps to strengthen and support the educational programs of education ministries. Let's take these projects as National Projects of all Nepalese Rotarians. I welcome all Rotarians friends to share my experience about what we have done to make these projects a success. May all deprived and poor children's too gets the opportunity to learn the computer education.

## ROTARY INFORMATION

*Following are some Rotary key messages you may use in your PR materials or during a media interview:*

- Rotary is a global network of community volunteers.
- Rotary works to improve the quality of life for all people.
- Rotary exists to do good in the world.
- Rotary is an international service organization of 1.2 million business and professional men and women who, as volunteers, address needs of their home and international communities.
- Rotary initiates local and global service projects to promote world understanding and peace and improve the life conditions for people of all ages and cultures. An example is PolioPlus through which Rotary is working to eradicate polio by 2005.
- Rotary's strength lies in the volunteer service of its membership,
- an international network of business and professional leaders implementing a wide range of programs to meet human needs.
- Rotarians are men and women of integrity who represent a cross-section of business and professional backgrounds. As volunteers of all ages, they work to meet community and international concerns.
- Rotary's strength is that it is both international and local. For example, today's critical problems, such as health and sanitation, hunger, and environmental deterioration, must be addressed at local levels. With more than 31,000 clubs in 166 countries, Rotary is ideally suited to address such problems.

# Nepal Heart Hospital

## A Rotary Initiation

Rtn. Dr. Prakash R. Regmi

### Why a new heart hospital in Nepal ?

Today throughout the world more than 12 millions deaths per years occur as a result of heart diseases. More than 50 % deaths per year are accountable to heart diseases . In Nepal 10 % of the population suffer from heart disease. At present the number one killer- "Coronary Heart Disease" has emerged in Nepal as the major heart problem. Rheumatic Heart Disease affecting children of school going age is still prevalent in high number in the community. WHO has forecasted that by the year 2015 South Asia countries will be facing an epidemic of heart disease taking away life of millions of people of the region. In the last decade in Nepal, heart diseases have increase by 5 fold affecting more and more young adults.

Despite rapid increase in the number of heart patients, existing facilities for diagnosis & treatment of heart diseases in Nepal are minimal. Whatever available facilities are concentrated in the capital city of Kathmandu only. Sahid Ganga Lal National Heart Centre located centre in the entire country with a population of 23 million. Due to high case overload, heart patient has to wait for more than a year for Surgery in this Centre.

Treatment in private hospitals is very expensive which is out of reach of the majority of Nepalese people. Due to lack of treatment facilities & high cost of treatment heart patients are dying in large numbers. Thousand upon thousands of Nepalese suffering form heart diseases will directly benefit by the establishment of the proposed Nepal Heart Hospital.

### Where will this proposed hospital be located ?

Although a big submetropolitan city, heart care facilities in Patan, Lalitpur are minimal. People of Dhapakhel, Lalitpur are very interested to provide land for this hospital project. Efforts for acquiring around 8-10 ropanis -1.1-1.3 Acres) of land in that locality is in process.

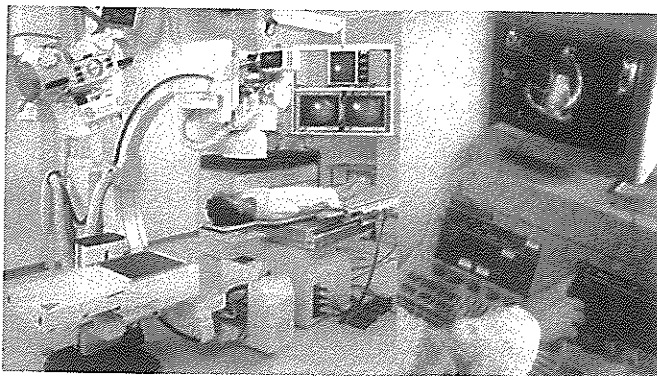

### What sort of Medical facilities will be made available in the proposed hospital ?

This will be 100 bedded state-of- the Art hospital with all the diagnostic and treatment facilities for heart disease (ECG, CHO, TMT, Holter, Amb, Stress Echo, MRI for heart etc.), closed & open heart surgery facilities, Cathlab with Angiography &

Angioplasty, EP study of heart etc. Preventive programmes and Rehabilitation programmes will also be Launched by the hospital.

### Who is going to work this project ?

All the Rotary Clubs in Lalitpur and a NVO working for the welfare of the heart patient for the last 16 years- Nepal Heart Foundation have agreed to work together for this project. Lalitpur heat Clinic established 10 years back and being run by Nepal Heart Foundation, Lalitpur will be the Cooperating Agency For this project, All the Rotary Clubs in Nepal will be supporting this project. It is expected that the government of Nepal, Rotary Clubs around the world and Rotary Foundation will put their maximum efforts to launch and complete this project.

### What is the estimate project cost ?

Total- Amount Nrs. 19.5 cores (Us\$ 2.75 million)

I Phase	(OPD with ECG, Echo, TMT, Holter, ABP, Lab, X-ray, USG, Pharmacy)— US 200000
II Phase	(Main Hospital Building, CCU, 50 Indoor bed)— US\$1.2 million
III Phase	(OT, Closed Heart Surgery)—US\$ 300000
IV Phase	(Open Heart Surgery)— US\$ 300000
V Phase	(CathLab)— US\$750000

### Looking for Sponsors:

This is a joint project of all the 12 Rotary Clubs in Patan, Lalitpur, We are looking for Sponsors From all around the world and also from inside the country to make this projects successful.

# Rotary Club of Patan, Prajapati Education Endowment Fund, School Year 2004-05

Rtn. Er. Narayan Govind Halwai

**Introduction:** Basic education, though a fundamental right of every child, is still a distant dream to many poor children in Nepal, one of the Least Developed countries in the world, with an average per capita income of \$250.

*Students receiving scholarship at Bungamati December 06, 2004*

*Students at Chuni Devi Primary School, Dukuchhap receiving scholarship, May 02, 2004*

Although the government and several international and private organizations have made considerable efforts, they still fall short of the target, set by the government, to provide universal basic education to all.

**Humble Beginning and Remarkable Growth:** Rotary Club of Patan (RCP), one of the oldest social organizations, initiated an education program in 1989 to provide scholarships to poor and needy children in rural areas. The scholarships are provided a) from the interests gained from the Scholarship Endowment Fund, deposited in a local bank, and b) annual donations generated through contributions of the Rotarians and philanthropists. The fund has swelled from a modest Rs 100,000 in 1991/1992 to over Rs 2.7 million in Endowment fund and over Rs 0.2 m as annual contribution. Similarly, scholarships which were limited to 10 students only in 1991/1992 has increased substantially to 337 (planned) in 04/05. Tables 1, 2 and 3 reflect fund growth, contributors and schools and students receiving scholarship respectively. About Rs 400,000 is being distributed during this school year (04-05) for scholarships. A total of 566 school children, of which 55% are girls and 30% dalit students, in 42 public schools have received scholarship till Year 2003/2004. To this list, 153 new students will be added in this Year 04/05.

**Scholarship amount:** Scholarship amounting to just Rs 800 to 1500 a year is meant to supplement for the continuation of education of children from economically deprived families. Students are selected in Class VI for scholarship and they continue to receive it till they graduate from school at Class X, unless they failed in a class.

**Community based program** provides scholarships to children who had discontinued their education but wish to join the school. 62 children in Dukuchhap VDC receive scholarship under this program.

**Selection Procedure of New Students:** New students are selected in Class VI. To facilitate the selection process, the

\*\*\*Includes scholarship under Community based program

T - Contribution to Trust Fund; A - Annual Contribution

Headmaster prepares a list of 8 students. RCP Fund Committee Member personally interviews all eight students and selects 4 of them, based mainly on economic condition of the family - orphan, profession of parents, members in family generating income and enrolment in school. The selected students continue to receive scholarship until they graduate from school in class X, unless they fail in a class.

**Issues Identified:** Concern has been expressed by some that the scholarship amount of Rs 100 a month is too small. However, it should be remembered that the scholarship is just a supplement and need not cover all the expenses required for education of a child. Our target is to provide scholarship for 1000 students. Let us achieve this target first; we can then consider increasing the amount.

**Computer Literacy Program:** The Fund has contributed US\$ 1250 toward two Matching Grant projects for computer literacy. 173 computers have been distributed to public schools under this program.

*Computers at Adarsha Saul School, Bungamati*

## ललितधाराको कथा

- रो. कमलमणि दीक्षित

पाटन रोटररी क्लबको साप्ताहिक बुलेटिन 'ललितधारा'को कुरा गर्दा नेपालको पैलो रोटररी क्लबको बुलेटिनलाई सम्झनुपर्छ। कुरो त्यहीँबाट उठाउनुपर्छ। मैले त्यसो गर्नुपर्नाको कारण छ। कुनै जमानामा, केही काल म त्यस बुलेटिनका सम्पादक समेत भएको थिएँ। नेपालमा रोटररीको प्रवेश सन् १९५५ मा रोटररी क्लब अफ काठमाण्डूको स्थापना साथ भएको हो तर यस क्लबले आफ्नो बुलेटिनको प्रकाशनको थालनी कैलेदेखि गन्यो यकीन थाहा छैन। शायद कसैलाई पनि सम्झना छैन यो कुरा। भए पनि, मैले राखेको अभिलेखबमोजिम सन् १९६७ तिरदेखि काठमाण्डू रोटररी क्लबले 'याक वेल' नाम दिएर आफ्नो 'विक्री बुलेटिन' प्रकाशन गर्न थालेको हो। त्यस बेला यसका एडिटर थिए रो. एस के दत्त। 'याक वेल' भन्ने नामचाहिँ शायद रो. रवर्ट फ्लेमिङले दिएका हुन्। शुरुमा केही वर्ष साइक्लोस्टाइलमा छापिएर बीचमा सन् १९६८ मा 'याक वेल' प्रेसमा छापिएर पनि निस्केको थियो तर पुनः यो साइक्लोस्टाइल मै फर्किएका रहेछ। मैले सन् १९७० मा रोटररी प्रवेश गर्दा यो 'याक वेल' निकै अनियमित थियो जस्तो लाग्छ। किनभने सेक्रेटरी र एडिटर एकै जना थिए- रो. डा. फ्लेमिङ। म काठमाण्डू रोटररी क्लबका मेम्बर भएपछि रो. डा. फ्लेमिङले 'याक वेल'को जिम्मा मलाई लगाइहाले। मैले यसलाई नियमित बनाउन प्रेसबाट छापेर निकाल्ने कुरा गरें, हुन्छ भनियो। छापने खर्च के गर्ने भने। मैले एक पेज विज्ञापन रोटरियनहरूले नै दिनुपर्छ भनें। सबैले माने। अनि सन् १९७० नवेम्बर १० तारिख (२५ कार्तिक २०२७) मा म एडिटर भएर पहिलो 'याक वेल' निस्कियो। त्यो अंक छ मसँग। त्यसअघि बुलेटिनमा अंक हाल्ने गरिन्थ्यो। मैले पहिलो पल्ट नं. १०१ हालेर शुरु गरें 'याक वेल'लाई। तर त्यहाँ मैले 'याक वेल'को नेपाली अनुवाद 'चौरीको घण्टी' भन्ने नाम पनि थपिदिएको थिएँ सानो अक्षरमा। साथै एक या दुई वाक्य नेपाली पनि जड्न थालेको थिएँ मैले प्रत्येक अंकमा। त्यसपछि मैले 'याक वेल'लाई एउटा 'माफ्ट हेड' पनि चाहिन्छ भनी मेरा मित्र, साफा प्रकाशनका कलाकार टेकवीर मुखियालाई भनी एउटा डिजाइन गराएँ। त्यसलाई क्लबले स्वीकार गन्यो अनि त्यसको ब्लक बनाएर छापन थालियो। 'याक वेल'को पूर्णांक १६० मा त्यो पहिलो पटक छापिएको थियो। त्यो अंक पनि मसँग सुरक्षित छ मदन पुरस्कार पुस्तकालयमा।

'याक वेल' छापेर निकाल्न थाल्दा मैले प्रत्येक अंकमा नेपालीका एकदुई वाक्य छापन थालेको थिएँ भनें। त्यसमा मेरो अर्को स्वार्थ थियो, मेरो पुस्तकालयको (अङ्ग्रेजी याक वेललाई म पुस्तकालयमा दर्ता गर्न सक्तिन थिएँ। तर एक-दुई ओटा वाक्य मात्र भए पनि नेपाली छापिने 'चौरीको घण्टी'लाई नेपाली पत्रिका भनी भित्र्याउन मिल्थ्यो। मदन पुरस्कार पुस्तकालयको नियम थियो त्यो। त्यसै हुँदा मैले त्यति चलाखी गरेको थिएँ। 'चौरीको घण्टी'को त्यो पहिलो अंक लगी मैले पुस्तकालयको सूचीमा चढाएँ। त्यसको नम्बर ५८५ परेको थियो। सम्झन्छु। 'रोटररी क्लब अफ काठमाण्डू'का साप्ताहिक मिटिङका 'निर्णयहरू' (मिनिट्स) छापने पर्ने भएको र बुधवार त्यो क्लबमा पुगनुपर्ने भएकाले आइतवार सम्म त्यो 'मिनिट्स' मकहाँ आइपुगेन भने म शान्तभवनमा डा. फ्लेमिङलाई फोन गरिहाल्थेँ। यसरी ताकिता गर्दा डा. फ्लेमिङ मसँग फर्कनुको सट्टा प्रसन्न भएर भन्थे- "एस, कमल, डाट्स ह्वाट यु शुड डू (हो कमल यस्तै गर्नुपर्छ)।"

आफ्नो क्लबको बुलेटिनको कुरा लेख्न भनेर अह्राउनुभएको थियो

मलाई सेक्रेटरी रो. गणेशले मैले अर्कै क्लबको बुलेटिनको कुरा गरेर पेज भरें। क्षमा चाहन्छु। अब आज 'ललितधारा'मा।

ललितधाराको ऐले संख्या ५७० तिर पुग्दैछ। त्यसको माने यो निस्कन थालको वाह वर्ष पनि पुगेको छैन। उता हाम्रो क्लबको यो उन्नाइसौं पदस्थापन हुँदैछ। भन्नाले हामीले अठार वर्ष पूरा गरिसक्यौं। त्यस हिसाबले ललितधाराको संख्या कममा पनि नौ सय पुग्नपर्ने हो। यसको माने के भयो भने क्लब स्थापना भएको निकै वर्ष हामीले बुलेटिन निकालेनौं। क्लबको 'जीएसआर' भएको र संस्थापनकालदेखि नै यो क्लबमा रहिरहेकाले मैले परोक्षरूपमा नभनी यस्तो भएको थियो भन्न सक्नुपर्ने हो तर 'ललितधारा'का शुरुका वर्षको सबै कुरा मलाई हेक्का रहेन। त्यसो भएपछि मैले पुनः मदन पुरस्कार पुस्तकालयको सूचीपत्रकै शरण पर्नुपर्नो। भनिहालै यो पुस्तकालयमा नेपाली भाषाका पाइएसम्म सबै मुद्रित वस्तु संकलन गरिन्छन्। 'चौरीको घण्टी' जस्तै 'ललितधारा' पनि त्यहाँ खोजें मैले। फेला पर्नो। ललितधाराको मपुपुमा दर्ता भएको रहेछ नं. २४०० मा। २०४४ साल साउनमा यसको प्रकाशन आरम्भ भएको लेखिएको छ त्यहाँ तर त्यस बेला यसलाई साप्ताहिक नभनी मासिक भनेर लेखिएको रहेछ। प्रकाशकमा पाटन रोटररी क्लब ललितपुर, सम्पादकमा सुरेन्द्रराज शर्मा लेखको छ। यो मैले सम्झेको भन्दा भिन्दै पर्नो। मैले ललितधारा बुलेटिन पहिले मासिकरूपमा निस्केको थियो भन्ने विसिसकेको रहेछ। अब फेरि स्मृतिको सूत्र जोड्दै ल्याउँदा मैले के देखें भने रो. सुरेन्द्रराज शर्माले IPP (सपूथ) भएपछि यस 'ललितधारा'को अभिभारा बोक्नुभएको रहेछ।

भनिहालै मैले, मलाई सबै कुराको सम्झना रहेन। तर शुरुमा अलिअलि सहयोग गर्न मलाई पनि भनिएको थियो। एउटा समिति नै बनेको थियो शायद। बुलेटिनको नाम चयनमा पनि संलग्न थिएँ म भन्ने सम्झन्छु। त्यसपछि यसमा कोको आए र कोको गए मसँग रेकर्ड छैन। तर हाम्रो क्लबको बुलेटिनले नियमितता लिन सकेन। अनि साथीहरूले मलाई समाते र छाडेनन्। मैले पनि ललितधारालाई छाडेको छैन। निकै भयो। ८ वर्ष जति भयो कि! यो पूर्णांक ५६८ ले यो कितान गरेर भन्न सक्तैन किनभने उस बेला अनियमित भएकाले यसमा अंक (या संख्या)को टुङ्गो थिएन। अनि मैले 'याक वेल'लाई १०१वाट शुरु गरे जस्तै यसलाई पनि (शायद) २०१ लेखेर शुरु गरें। त्यसपछि भने यो नियमित नै छ। बीचबीच एकदुई अंक छुट या खप्टिए पनि, बन्दै चाहिँ यो भएको छैन।

ललितधाराको मैले सम्झेको र ऐले खोजेर बुझेसम्मको कथा यही हो। यो बुलेटिन अंग्रेजीमा निकाल्ने भन्ने पनि कुरा भएको थियो तर अंग्रेजीमा होइन नेपालीमा निकाल्नुपर्छ भन्नेमा मभन्दा वढी ठूलो स्वरले बोल्ने (त्यस बेलाका पाटन रोटररी क्लबका मेम्बर) रो. वासुदेव लुईटेल हुन्। हाम्रो क्लबको मीटिङको भाषा र मिनिट् निर्णयहरू नेपालीमा हुनुपर्छ भन्नेमा पनि रो. वासुदेव लुईटेल, रो. नरेन्द्रनरसिंह शाक्यवंश, रो. मोतीलाल शिल्पकार र रो. मधुसुदन सुवेदीको जोड थियो। सम्झन्छु (संस्थापक) प्रेसिडेण्ट (स्व) सुरेन्द्रराज शर्माको ठूलो आँट थियो क्लबको भाषा नेपाली गर्नेमा। किनभने त्यसवेलासम्म काठमाण्डू र विराटनगर रोटररी क्लबको भाषा अंग्रेजी थियो। क्लबको भाषा नै नेपाली भएपछि मिनिट्स र बुलेटिन नेपाली गर्ने भन्नु त कुनै भारी बात भएन पनि।

त यही हो हाम्रो क्लबको 'ललितधारा'को कथा।

Difference & the lasting Difference**

The Civil Homes philosophy has always been that good homes should be superbly designed and beautiful to look at. It should also have real muscle beneath the surface, for a lifetime of reliability. Other homes may look as good as "Civil Homes" when they are new, but few have been given the immensely strong construction, and the uncompromising range of natural materials that go into every house that comes under construction.

Every house of Civil Homes are designed and built to become a heritage piece-a classic to be handed down through many generations.

Civil Homes Phase II has 100 independent houses throughout 76 ropanies of land at the west of Kathmandu 1km away from Kalanki, to make quality living affordable at their best and avoid the extra cost of intermediaries. This extra care and construction quality is possible within a realistic price range.

Apart from these advantages, there are other very

sound reasons for choosing one of these houses. Each one is staffed with a friendly, informed team-looking forward to helping you with every facet of choosing your home, from advice on design and style, to wider issue such as color co-ordination and room planning.

Civil Homes are promoted by experienced and professional Bankers and Engineers, has been existence for over one and half years.

Only home with earthquake resistive design, commits on time delivery and total ownership transfer.

# Vocational Service and Awards

By

PP Rtn. Tirtha Man Shakya

**Vocational Service:** The responsibility spelt out in the second part of Rotary's Object is the basis of Rotary's Second Avenue of Service – Vocational Service. It calls for Rotarians to apply high ethical standards to their business or professions to recognize the inherent worthiness of all useful occupations, and to view their respective occupations as an opportunity to serve society. All Rotarians have an important responsibility to their vocation – termed as classification in Rotary.

Ethical standards in business have been the concern of Rotary service since its founding in 1905. It is interesting to note that while Rotary's object has evolved over the years, the issues promoted in its second part were included in earliest incarnation, as two of the five objects adopted at the 1912 Convention. Although the principles governing the role of Rotarians in the workplace evolved early in the organization's history, it was not until later that they were given the tools to achieve these goals. The first of these "The 4-Way Test" was the sole guide for Rotarians in their business life almost 50 years.

**Declaration for Rotarians in Business and Professions:** In 1989, the Council of Legislation adopted a declaration of "Rotarians in Business and Professions" to provide more specific guidelines for the high ethical standards called for. As Rotarians engaged in Business or professions, they are expected to:-

- Consider their vocation to be another opportunity to serve;
- Be faithful to the letter and the spirit of ethical codes of their vocation, to the laws of their country, and to the moral standards of their community;
- Do all in their power to dignify their vocation and to promote the highest ethical standards in their chosen vocation;
- Be fair to their employer, employees, associates, competitors, customers, the public and all those with whom they have a business or professional relationship;
- Recognize the honour and respect due to all occupations which are useful to the society;
- Offer their vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in their community;
- Adhere to honesty in their advertising and in all representations to the public concerning their business or professions; and
- Neither seek from nor grant to a fellow Rotarians a privilege or advantage not normally accorded to others in a business or professional relationship.

**Vocational Awards:** Rotary Club of Patan (RCP), the third Rotary Club in the Kingdom of Nepal, was chartered on August 29, 1985, with an objective to promote public recognition of individuals who practice high ethical standards in their business/ professions/ careers and those who achieve

exemplary vocational excellence in their field. RCP has started to organize presentation of a Vocational Award to a person who achieve exemplary vocational excellence in his/her field since the Rotary Year 1993-1994. After 10 years of its establishment, RCP has also established a Vocational Service Fund of Rs 100,000 (Rupee One hundred Thousand in Rotary year 1995-1996 with an objective to provide trainings in different vocation and profession and to present Vocational Award in each year with a Letter of Appreciation and Rs Five Thousand. Till this date, 10 Vocational Awards had been presented and 11<sup>th</sup> is being presented on 5<sup>th</sup> July 2004 as listed below:

- First Vocational Award to Mr. Vishnu Jwalanand Rajopadhyaya, a senior and dedicated school teacher, popularly known as "Nati Bajya" in Patan in the year 1993-1994.
- Second Vocational Award to a dedicated woman sweeper, Mrs Pun Maya Poda in 1994-1995;

## Traditional Stone Spouts in Patan

PP Rtn. Narayan Govind Halwai

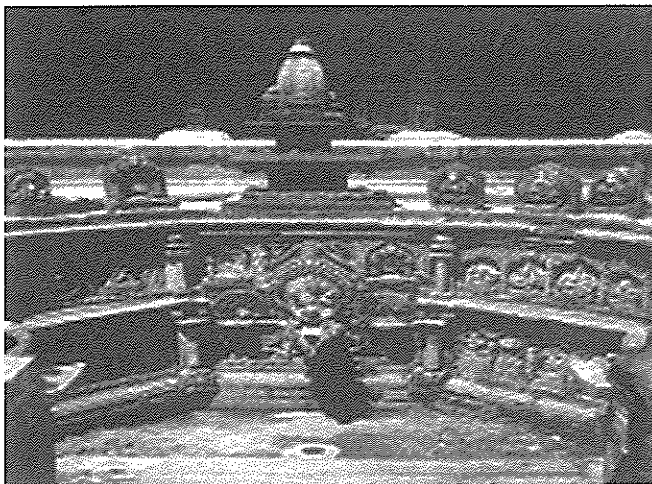

The stone spouts are marvelous creations of ancient Nepalese engineering and architectural feat. Utilizing the underground spring water, terracotta pipes buried 2 to 6 meters underground were used to carry water about one kilometer downstream. These artistically built spouts have been providing continuous flow of drinking water to various localities in the city for centuries. There are more than 40 stone spouts in the Patan city but many of them are not functioning these days due to lack of maintenance.

*Thapahity spout is presently running but dries up during summer. Spouts at periphery of city, Dobikhola at west, Kumbheswor and Aluko at north, Chyasal and Sinchahity at east of city are currently serving large population. Night flow could be conserved for its efficient use.*

Stone spouts were the main water sources for domestic use prior to the introduction of municipal piped water supply system in 1896 AD. Stone spouts are still supplementing the inadequate municipal piped water supplies at many city core areas.

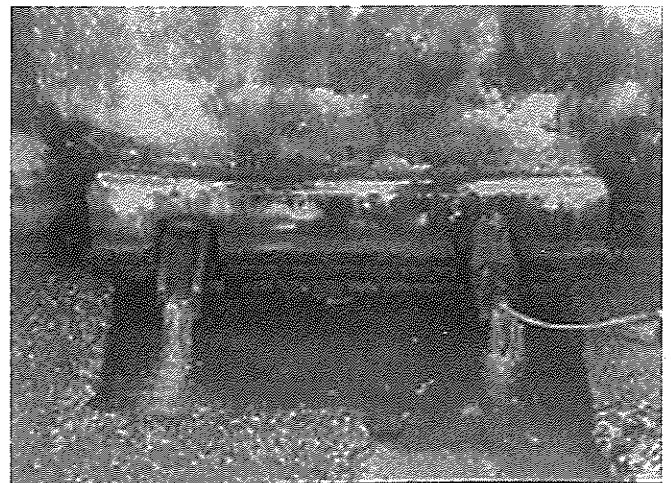

*Artistically decorated Tusha hity at Sundarichowk inside Patan Durbar is dry*

In simple sense, rehabilitation of these stone spouts would supplement municipal water supply in the areas, but in the broader national perspective, it will boost up the psyche of the local people to conserve the archeological and cultural heritage of Nepal.

Laying of sewer system in the city core area had disturbed the supply conduits and drain outlets, whereas uncontrolled settlement and lack of care and maintenance had disturbed the system as whole. It is possible to rehabilitate most of these stone spouts.

Naricha hity (adjoining photo), Sincha hity and Nuga hity had been running satisfactorily since their rehabilitation few years back with local initiatives. Rehabilitation work which could effectively run 6 spouts - Tusha hity, Bhandarkhal hity, Sougal, Thapa hity, Tangal hity and Lagankhel hity is ongoing through Lalitpur Heritage Conservative Group, Lalitpur Sub-metropolitan City and European Commission fund. It is difficult to have cooperation from communities involved in 6 spouts. Response from Thapahity community could have saved substantial rehabilitation works, but they think the work is being planned just to take water to Tusha hity and they could never believe that it would benefit them as well.

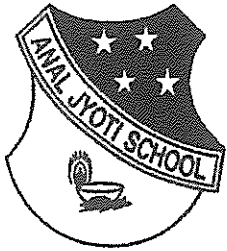

*Continuous flow about 2lit/sec in Naricha hity in Ward No 6 of Patan. Prior to rehabilitation in 1991 through RC Patan, it was a stagnant pool due to blockage of drain outlet. Funding arrangement usually take long time to materialize.*

Tens of spouts in the city, some just trickling and others dry, are waiting for rehabilitation. Resource mobilization is a tiresome effort, but the civil societies like Rotary Clubs have to take initiatives. The rehabilitation costs range from Rs 200,000 to 500,000 (about US\$ 2,500 to 7,000) for each spout.

## "Nepal Orthopaedic Hospital"

By: Rtn. Yagya Bahadur Shrestha  
Past President

It was after fifteen years of its formation and with the help of some Rotary clubs of U.S.A., Rotary Club of Patan committed itself to support in constructing an orthopaedic facility in Nepal i.e. "Nepal Orthopaedic Hospital". Nepal Orthopaedic Hospital is the only charitable, first of its kind and rotary supported orthopaedic facility in Nepal. The hospital lies in the compound of "Khagendra New Life Centre" at Jorpati, Kathmandu. After its completion, the hospital was graciously inaugurated by His Majesty King Gyanendra Bir Bikram Shah Dev and Her Majesty Queen Komal Rajya Laxmi Devi Shah on 16<sup>th</sup> April 2004.

*President Rtn. Siba receiving Letter of Appreciation from His Majesty King.*

This hospital was initially conceived as "Rotary World Community Service Project" of various rotary clubs of District 7090 U.S.A and Canada and Rotary Club of Patan and Nepal Disabled Association as local partners. Even though the hospital building was completed number of years back, the hospital could not be commissioned for operation until the provision of necessary equipment and initial running costs that was possible to obtain from different rotary clubs specially the rotary club of Maldegem, Belgium. With the untiring and dedicated efforts of Dr. Anil Bahadur Shrestha, the orthopaedic hospital finally opened its service doors to common citizens at affordable cost on 1<sup>st</sup> August 1998.

With the increasing demand and load of the patients for advance orthopaedic services, the need for the expansion of the hospital from 20 to 70 beds and the need for generating sufficient funds to sustain regular hospital operation was realized on 17<sup>th</sup> April 2003 by more than 140 Nepalese Rotarians of 22 Rotary Clubs in the presence of the Chief Guest Dr. Upendra Devkota. Consequently, with the help of different national and international Rotary clubs, international donors, German-Nepal Help Association, Foundation Help for Nepal-Holland, Association-Fennes D' Europe etc., the 70 bedded "Nepal Orthopaedic Hospital" became fully operational in April 2004. The hospital now is well manned with doctors and professional staff as well as well equipped with modern facility including computer and three modern operation theatres with AC and

one for infected cases. The operation theatres are well equipped with state of the art anaesthesia machine, brand new monitors and C-arm fluoroscopes. It also has separate recovery stations and post operative rooms.

The hospital, despite of being far from the city, has been able to provide orthopaedic services to more than 35254 outpatients and operations of more than 2992 patients uptill now.

## सुस्त मनःस्थिति : दायित्व परिवारको

श्रीमती विजयलक्ष्मी श्रेष्ठ,

पूर्व अध्यक्ष :- इनरव्हील क्लब अफ पाटन रोटरी

सुस्त मनःस्थिति भन्नाले उमेरको आधारमा शरीरमा हुने शारीरिक विकाश संगसंगै मानसिक विकासमा आएको ढिलाइ वा क्षमतामा कमी भन्ने बुझिन्छ। हाम्रो समाजमा सुस्त मनः स्थिति के हो भन्ने कुराको ज्ञानको कमीले गर्दा त्यस्ता व्यक्ति वा बालबालिकाहरुलाई पागल वा दिमाग खुस्केको भनी हेला गर्ने चलन छ। सुस्त मनःस्थिति भएका व्यक्तिहरुलाई हेर्ने दृष्टिकोणमा अत्यन्तै फरक रहेको पाइन्छ। सुस्त मनःस्थिति हुनेव्यक्तिकै त्यस व्यक्तिले केही पनि गर्न सक्दैन भन्ने हाम्रो समाज वा परिवारको अज्ञानताले गर्दा सुस्त मनःस्थिति भएका व्यक्तिहरुको जीवन विशेष कष्टकर भएको छ। सुस्त मनःस्थिति भएका व्यक्तिहरु न त आफ्नो व्यक्तिगत चाहाना, आवश्यकता, अनुभव वा अधिकार व्यक्त नै गर्न सक्दछन् न त परिस्थिति र समयानुसार चल्न सक्दछन्। उनीहरु आफ्नो दैनिक क्रियाकलापदेखि लिएर धेरै जसो काममा अरुमा नै आश्रित हुन्छन्।

तर, एउटा सुस्त मनःस्थिति भएको व्यक्तिले गर्दा घरपरिवार, टोल छिमेकमा के कस्तो असर परिरहेको हुन्छ भन्ने कुरामा शायद सबैको एकमत नै होला। सुस्त मनःस्थिति हुने व्यक्तिकै यसले केही पनि गर्न सक्दैन, यो हाम्रो लागि बोझ मात्रै हो भन्ने हाम्रो समाज र परिवारको हेपाहा र तिरस्कार प्रवृत्तिले गर्दा सुस्त मनःस्थिति भएका व्यक्तिहरु आजको परिवेशमा पनि दोस्रो दर्जाको नागरिकको रूपमा जीवन व्यतीत गर्न विवश रहेका छन्। सुस्त मनःस्थितिका व्यक्तिहरुका लागि घरपरिवार नै सिकाई र सहाराका मूल स्रोत हुन। तर, सुस्त मनः स्थिति भएको परिवारका सदस्यहरु भित्र पनि कमैले मात्र सहयोगको भावना देखाउने गरेको पाइएको छ।

नत्र होइन भने धेरै जसोले त्यस्ता व्यक्तिहरुको अधिकार हनन गरी उनीहरुले पाउने पैतृक सम्पत्तिको अधिकार र हकबाट पनि वञ्चित गरेको पाइएको छ।

प्रायः जसो हाम्रो समाजका परिवारका सदस्यहरु सुस्त मनःस्थितिका

सदस्यलाई एउटा गम्भीर समस्या र बोझमात्रै सम्झेर आफ्नो कर्तव्यबाट टाढा नै रहने गरेको देखिन्छ। यदि सुस्त मनःस्थितिका व्यक्तिहरुलाई पनि उनीहरुको व्यक्तिगत क्षमता अनुसार दैनिक क्रियाकलाप वा अरु कुनै व्यावहारिक कुराहरु सिकाएमा उनीहरुले गर्ने सक्दैनन् भन्ने छैन, केवल सक्षम व्यक्तिहरुको तुलनामा अलि ढिला सिकलान, त्यति हो। त्यसैले सुस्त मनःस्थितिका व्यक्तिहरुलाई त्यसै घरमा राख्नु भन्दा उनीहरुको क्षमता अनुसार कुनै काममा व्यस्त राख्नु जरुरी देखिन्छ। सुस्त मनःस्थितिका व्यक्तिहरुलाई सकेसम्म घरमै लुकाइराख्ने हाम्रो परम्परालाई त्यागी कसरी समाज वा समुदायमा नै पुनस्थापन गर्न सकिन्छ भनी सञ्चालन गरिएका सामुदायिक तथा श्री ५ को सरकारबाट सञ्चालित पुनस्थापना केन्द्रहरुबाट सहयोग सुविधा लिन सकिन्छ।

सुस्त मनःस्थितिका व्यक्तिहरुको व्यक्तिगत भलाइ हितको संरक्षण तथा सुरक्षा परिवारबाटै सुरुवात हुने भएकोले त्यस्ता व्यक्तिहरुलाई सम्भव भएसम्म परिवारसँगै वा संरक्षक/अभिभावक सँगै बस्नु पर्ने हुन्छ। सुस्त मनःस्थितिका व्यक्तिको अभिभावक भएर बस्नु त्यति सजिलो काम भने होइन। हाम्रो समाजमा त्यस्ता विषयमा जनचेतनाको कमीले गर्दा अभिभावकहरु वा संरक्षकहरुले पनि आफ्नै परिवारबाट पनि विभिन्न किसिमका समस्याहरु भेट्नु पर्ने हुन्छ। त्यसैले हामी अभिभावक भएर बसेकाहरुले सुस्त मनःस्थिति भएका व्यक्तिहरुका लागि सञ्चालन गरिएका संघसंस्थाहरुको साझेदारीमा सुस्त मनःस्थिति भएका व्यक्तिहरुको अधिकार तथा संरक्षणका लागि लड्नु पर्दछ। हामीले त्यस्ता व्यक्तिहरुलाई तिरस्कारको भावना होईन सहयोग दिनु पर्दछ भन्ने चेतना आफ्नै घरपरिवारका अरु सदस्यहरुलाई सचेत गराउनु जरुरी छ। त्यसो गर्दा सुस्त मनःस्थिति भएका व्यक्तिका अभिभावकत्वको भूमिकामा बस्नेहरु प्रोत्साहित हुने गर्छन्, यही नै परिवारको मूल दायित्व हो।

## Senior Citizens Home:

Opening soon

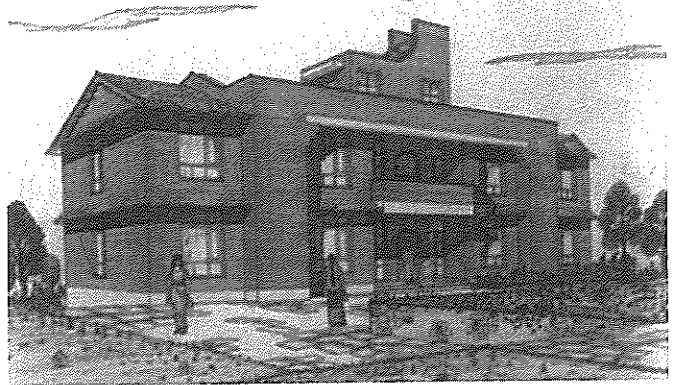

Tulasi P. Neupane  
PP, Vice President, SCT

Senior Citizens Home, with the objective to support the senior citizens, was built to those who are economically better, can come and stay, was planned by the Rotary Club of Patan in close co-ordination with the Germany based Help Nepal Association. Dr. B.N. Rana and Mrs. Rana have contributed through their efforts to build the Home and Honorable Former Prime Minister Mr. Girija Prasad Koirala inaugurated the building after completion. The building is situated in a prime area of Godawari with a peaceful environment. It was planned to provide comfortable stay to the Nepalese as well as foreign elderly people on the cost-to-cost basis. Similarly, economically disadvantaged girls from the rural areas are also planned to include for serving in the Home and they may get opportunity for study in lieu of their services.

Rotary Club of Patan developed a master plan with a long vision to provide services to the needy people and create an institution "Senior Citizens Trust" as a legal process to run the Home. The effort made by the "Trust" to bring people to stay was a difficult task, because the Nepalese community still not yet matured to stay independently being apart from their family members. A joint family system is prevailing in our society, which is not allowing to do so. Although, some people have shown their interest to stay in the Home.

Now, a group of people are coming to stay at this lovely Home from the beginning of July, 2004. The Home is in a beautiful location with garden, open place covering 29 ropany of land

and lovely natural environment. Recently, Rotary Club of Patan and the Citizen's Charity Trust jointly opened Health Clinic in 25<sup>th</sup> October 2003 in the same compound, which is providing services to the local community as well.

Now "Citizen's Charity Trust" started the Home and likes to welcome the needy to join on it. A full-fledged facility Home for the elderly people, with a comfortable environment, may provide happiness to them.

Recently the "Trust" has created an internal day-to-day management committee, including the members of the civil society and its own members, to run the Home. Hope the Home, in the years to come will be able to render more services to the aging people.

---

We extend our Best Wishes for the grand  
success of

## INNER WHEEL CLUB OF PATAN ANNUAL REPORT ON CLUB ACTIVITIES

Reported by Anne Mithila Rajbhandary  
 President 2003-2004

### Background

The Inner Wheel Club of Patan has been in existence since October 14, 1994. As we come to being a decade old, we are proud to make the friendship positive in the 2003-2004 service year. What an honour it is to be part of one of the largest organizations of women, working in harmony with members around the world to provide service to others. In addition to having twelve months of energetic activities, a key strategy for us has been working with others; networking with various groups to raise funds, lending a hand to plans others have had, and supporting their efforts. One of our greatest accomplishments this year has been to more than double the amount of our contribution to Rotary Club of Patan Scholarship Program from Rs. 50,000 to Rs. 110,000. This past year we have been successful in strengthening our partnerships, resulting in improved community service.

### Our Activities

In 2003-2004 our members continued to work tirelessly to help those less fortunate than us. We concentrated on providing assistance to the community regarding healthcare and education. Our alliances with organizations at home and abroad allowed us to expand the services we provide to those in need. As always, our main focus remains improving the lives of our fellow sisters. Some highlights regarding our works this year are:

### Health

- **Gynaecology Health Camp**  
 We organized a one-day gynaecological check up at Ikhalku Health Clinic, providing Pap Smear tests to the 60 economically deprived women who attended the clinic. Our thanks to the Ikhalku Health Clinic, Dr. Roshini Amatya, Dr. Hira Dangol, and Dr. Mita Shrestha, for donating their invaluable time, space, and voluntary spirit to this program.

- **Rtn. Dr. Prakash Raj Regmi provided Blood Pressure Recording Training to our members.**
- **Provision of Medicines**  
 In conjunction with the Rotary Club of Patan, we organized a Health Camp at Sunakothi Village and distributed medicine worth upwards of Rs. 5,000 to needy patients.
- **Eye Camp**  
 We partnered with the Community Based Rehabilitation of Patan and provided Rs. 7,022. 61 for medicines needed by poor patients at the Eye Camp.
- **Support to Cancer Patients**  
 We provided Rs. 40,000 to Bhaktapur Cancer Hospital for the purchase of a computer, to be used to register and organize patient data, resulting in improved quality of care.

### Education

- **Scholarships and School Supplies**  
 In alliance with the Scholarship Program of Rotary Club of Patan, we continue to support four female students at Adarsha Kanya Nikitan High School as we have in the past. This year we are proud to announce that we have provided scholarships to an additional four girls at Madan Memorial High School.
- **Supply of School Furniture**  
 Through our relationship with the International Ladies Bridge Group, we provided 26 benches and tables for Kindergarten and Class 1 students at Saraswati Middle School in Lele at a cost of Rs. 35,100. In this remote and low-income village, students were previously sitting on the floor while learning their lessons.
- **Construction of Bathrooms for Female Students**  
 Through our association with the Westchester, New York (USA) division of the United Nations Womens Group, US\$ 1,000 has been sanctioned and is on its way to Nepal. These monies will be used to build latrines for female students at Sarswati Middle School, where young girls would not go to the bathroom for hours because older students would be using the few latrines that existed.

### Future Projects

- A proposal to help Community Based Rehabilitation of Patan with additional funding for other projects is currently under review by the United Nations Womens Group of Westchester, New York (USA).

**Contact with other Inner Wheel Clubs**

The Past President of the Inner Wheel Club of Vellore North met with me to learn about our Club activities, and we exchanged Club Banners. We hope to maintain our good relations with other Clubs.

**Guest Speaker**

Mr. Nanda Ram Baidya, Rotary Club of Tripereshwor, enlightened our group regarding micro income generation in Nepal, and the use, possibilities and benefits to poor Nepali women. Small amounts of monies are lent to groups of women to undertake cottage industry projects. The women ideally work as a team and encourage each others' success, ensuring that the funds and minimal interest are repaid within the allotted time and the women are given loans again in the future. Rotary Club of Branchburg, New Jersey (USA) has shown interest in supporting this venture.

**The Future**

A new executive board for 2004-2005 has been formed with the following office bearers:

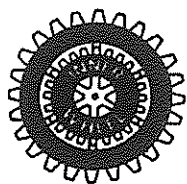

President	Anne Shanti Mathema
IPP	Anne Mithila Rajbhandary
Vice President	Anne Sulochana Pradhan

Secretary	Anne Bijaya Laxmi Shrestha
Joint Secretary	Anne Mary Shrestha
Treasurer	Anne Meera Tamrakar
Int. Director	Anne Brinda Rana

It is with great pride that I look back at our achievements this year, our union with other organizations, our dedication to raising funds for new projects, and our work as a team. The time and effort needed to help others is minimal when looking at the rewards of the service we have provided. This year, two new members have joined our club, Kamala Maharjan and Kalpana Pradha. I hope that our sisterhood will continue to grow and attract new members who want to give to those in need. I am deeply appreciative of the hard work and cooperation of all office bearers and club members. If we had not worked together, then we would not have been able to work at all.

I, on behalf of all members wish to express our sincere condolence to Past President Vijay Laxmi Dhital on the untimely demise of her spouse Past President Rtn. Bishnu Prasad Dhital.

I know that the success of 2003-2004 will continue next year under the leadership of Anne Shanti Mathema. Our Incoming President will undoubtedly carry out all of her responsibilities with diligence and perseverance. Welcome!
