Classification Talk by Rotarian Nirmal K. Pradhanang

As part of the main programme of the weekly meeting, Rtn. Nirmal K. Pradhanang gave his classification talk with a power point presentation specifically on the 'Aviation World'. Among the key points, Rtn. Pradhanang explained about the International Air Routes, Route Names, Nautical Miles, Runway Lights, and Electronics in Aviation, all of which are unified internationally. Rtn. Pradhanang also briefed on the statistics of number of flights worldwide (1,02,465 daily and 77.4 million flights in one year etc.). In terms of the users of aeroplanes, 50% are Americans, 25% Europeans and only 25% are from the rest of the world. The very interesting presentation was concluded with several questions and answers.
